

## THE VERSATILE, MODERN LOOK OF MATTE BLACK

### THE MATTE BLACK COLLECTION

#### Classic and Contemporary

*For those who want it all.*

For those seeking a clean, minimalist look to those who are torn between modern and more traditional styles, hardware finishes can be an overwhelming choice for many consumers. Tell offers the latest in a trend that works great with a variety of aesthetics.

Matte black is a beautiful finish that can give a traditional look a contemporary edge. Ageless and functional, it effortlessly bridges different time periods.

Matte black is sophisticated and timeless. So it's no wonder more people are looking to incorporate this finish into their homes and offices.
